THE FOUNDRY VENUE RENTAL GUIDELINES

Please provide this sheet to anyone assisting with your event!

We strive for a ‘leave no trace’ approach to decorations to preserve the historical and aesthetic integrity of our building and ensure it is in the same great shape for all of our clients. Please review the following guidelines regarding deliveries, set-up, and removal of décor before you commit to any decoration ideas.

DELIVERIES AND VENUE ACCESS

- All deliveries and set-up need to be confirmed with us in advance
- We accommodate access for deliveries and set-up within your rented time block. All deliveries must go through the loading dock or ramp.
- Tell us if you need additional set-up time (subject to applicable rental fees)
- We request anyone providing goods or services for your event to check-in with us upon arrival. We recommend providing this sheet to them in advance so that they come prepared and your event set-up goes smoothly

DECORATING AND SET-UP TIPS

- We recommend assigning 1 person to be responsible on your behalf for set-up and removal of your decorations
- Pre-assemble decorations off-site when at all possible
- Please use free-standing methods to display or decorate whenever possible. If your plans require fastening decorative objects, use binding wire, fishing line, or other easy to remove systems that can be wrapped around posts & beams and not leave permanent marks in the building
- No holes, small loose items (i.e. confetti, rice, birdseed), balloons, or flammables
- Candles may be used only if they are fully enclosed in a votive or hurricane
- Sparklers may be used only outside and away from the building – a water bucket must be present
- All cords must be securely covered during your event. Gaffer tape is the only permissible tape.
- Objects heavy enough to leave marks on the floor should be carried or moved with a cart or hand truck
- Any decorations being secured to beams or other ceiling fixtures must be approved in advance, and done by a licensed, insured and bonded professional

LEAVING THE FOUNDRY

- Complete removal of all items you brought in no later than 1 hour after your event end time.
- You and any vendors/volunteers you coordinate may use our trash, compost, and recycling facilities behind the building on Occidental Avenue. You are responsible for proper disposal or removal of all items brought into the venue.
- A member of our staff will walk through the space with your point of contact at the end of your event
- Be sure to double-check that you have gathered all personal items

HERBAN FEAST ALCOHOL POLICY

Because we care:

In compliance with Washington State Liquor laws, no alcohol will be served under any circumstances to minors or anyone who is asked by our staff for valid ID and is unable to provide verification of age.

All alcohol must be provided by Herban Feast, or approved IN ADVANCE of your event by a sales person or event coordinator.

All alcohol must be served by our staff. If you would like a specialty cocktail after your ceremony to be brought to you in the loft or associated spaces, we will be happy to bring it to you. Any other hard alcohol found by our staff, will be held for you until the conclusion of your event.

Beer, wine and prosecco, as well as spirits if you have them in your package, may be purchased for consumption by your bridal party in the loft prior to your ceremony. Billing for these items will be added to your final invoice. We regret that our staff is unable to take cash. Pricing for those items is as follows:

- Wine and Prosecco: $20 per bottle
- Beer: $4 per bottle
- Cocktail: $9 each

These item can be chilled and ready for you, upon your arrival to the bridal loft or associated spaces.
